

BROKER BLAST!!

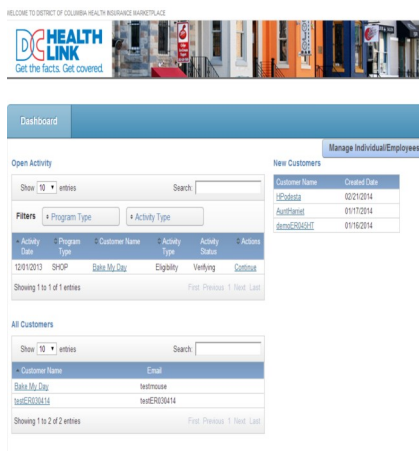

New Enhancements for Broker Portal Released

DC Health Link is pleased to announce that with its most recent IT release, a number of enhancements and technical fixes have been made to help brokers provide service to their clients.

Through the improved portal, brokers will now be able to have full access to their clients accounts, including the ability to:

- ✓ Complete an employer application and upload employee census
- ✓ Prepare plan quotes, select plan options, and model employer contributions
- ✓ Manage employer accounts, including manage open enrollment, add new hires and terminations

ENROLLMENT DEADLINES

Small Business Market:

April 1 Coverage Effective Date:

- ◆ March 10 - Last day to end Open Enrollment.
- ◆ March 12 - Last day to pay 1st Premium

May 1 Coverage Effective Date:

- ◆ March 27— Last day to complete employer application and start employee open enrollment
- ◆ April 10 — Latest date to end employee enrollment
- ◆ April 12 — Last day to pay first premium

Note: First premium payment can only be made after the employee open enrollment closes. Call 1-855-532-5465

Individual and Families Market:

- ◆ MARCH 31 - DEADLINE TO AVOID TAX PENALTY

DC Health Link Mobile App Launched

There is a new way for brokers to be found and for consumers to access information about how to obtain health coverage. Download the new DC Health Link mobile app at the Apple Store or from Google play for your Droid device.

**Download the new
DC Health Link Mobile App**

The new app helps you calculate your cost, find events, and get help with your enrollment.
